

TUCKER Film Trail

**Guide to Movies and TV Shows
Filmed in Tucker, Georgia**

Lights! Camera! Action!

From the big screen to the little screen, it is no secret that film is happening in Tucker, Georgia. Known as the “Hollywood of the South,” the Georgia Department of Economic Development states that more than 700 feature films, television series, single episodes and pilots have been produced in Georgia since 1972.

As the state with the most feature films produced, taking the title from California, DeKalb County has been the location of choice for over 200 of those projects since 2016 with 12% of them produced within Tucker’s city limits.

Relive the moments and scenes produced in your community with this Tucker Film Trail hunt.

When experiencing each location, remember these simple tidbits:

- Respect the space. We don’t encourage you to destroy, deface or not be a good steward.
